

March 2019

PLEASE DON'T FORGET THAT PPR HAS MOVED

We have recently noticed that some of our clients have been mailing materials to PPR's old address. We are fortunate that the postal service is forwarding them to us, but it takes them a long time. We've searched the internet to try to update our address everywhere. Please note our new address:

30400 Telegraph Suite 475, Bingham Farms, MI 48025

MICHIGAN SCHOOL DISTRICT USES GRANTS TO LAUNCH A TELEHEALTH PROGRAM

According to the MSMS Medigram of March 8, 2019 – sponsored in part by PPR – the Monroe Public Schools is using grant money to launch a telehealth program in their elementary schools to reduce absenteeism and improve student health. Click on the link below to read more:

<https://mhealthintelligence.com/news/michigan-school-district-uses-grants-to-launch-a-telehealth-program>

PPR has been keeping aware of news in telehealth as providers, patients, and insurers realize the value.

CMS.GOV MEDICARE BENEFICIARIES AT A GLANCE

Did you know that CMS.gov has released a graphic that shows some interesting statistics from 2016 regarding:

- Top 10 Chronic Conditions
- Average Total Payments Spent per Beneficiary
- Overall Satisfaction Rates and Access to Care

WE WANT YOUR OPINION

You may have received a call from our office in the last few weeks. We're talking with our clients to make sure you're happy with our service. Please let us know of any way we can improve our service to you. Also, please let your colleagues know that we are accepting new clients and there's no greater compliment than your referral.

And remember, we're here to help you. Don't hesitate to call at any time for any reason.
